

Liar? Lunatic? Lord?

Can you call him just a good man if he claims he's divine?
He must surely be deluded or selling a lie
Can you call a man a liar if he lived by his word?
Did you know his grave was empty? No body could be found

Could this man who walked the earth
Truly be the Son of God?

*Do you think he was a lunatic
Or maybe say he's a fraud?
Have you ever stopped to contemplate
His claim that he is your God?*

Would you say that he's deceitful if no lie has been found?
Brand him as unstable, though his wisdom is sound?
Was he really just a teacher when he claimed to pardon sin?
Backing up his statements by the healing the sick
