

Marriage Song

We build a home under God's grace
Where love is king and children safe
But if the days grow dark and long
Romance wanes and strength is gone
Recall the groom who lost his bride
But gave up all to bring her life

*One man, one woman brought together by their maker
One heart, one flesh in covenant of love
These vows, these promises are tested through the years
In joy, in pain, in laughter and in tears*

The wedding day is like a dream
We hardly know what it will mean
To love with sacrifice and care
Give our hearts and keep them there
But I will honour you always
And be there for you every day
