

## Resurrection Life

There's a light shining in the darkness  
There's a hope standing in the bleakness  
There's a love reaching out to all the world  
Jesus' bride, gathered from the nations  
Full of faith, holding out the gospel  
Living lives carried by the grace of God

This is Your church rising strong

*You have sent us to the lost and broken  
To tell them of Your kingdom come  
To celebrate the rising of Your Son  
Fuelled by power that raised our saviour Jesus  
We'll show the world that God has come  
The resurrection life has now begun*

There's a sound breaking through indifference  
There's a truth freeing up the anxious  
There's a call to demonstrate the power of God  
Speaking out, standing up for justice  
Showing love, no matter what confronts us  
Living lives, walking in the will of God

This is Your church rising strong

Jesus the first to rise again  
Restoring all things unto Him  
This victory changes everything
