

## Vision

In every tribe and every tongue  
In every nation of the Earth  
In every people group  
Your name must be proclaimed  
For You have come into the world  
To seek and save that which was lost  
Now may Your church arise  
And make Your gospel known

And now the hour is getting late  
So many millions yet to hear  
Lord of the harvest send out labourers we pray  
To bring Your sons in from afar  
From every corner of the Earth  
And let the prodigals return to You again

*Give me vision  
I want to see Your kingdom come  
Give me passion  
To see the glory of Your Son  
Be exalted Lord  
For You are worthy and the nations are Your heritage*

Though Kingdoms rage and nations fall  
And rulers stand against the Lord  
Be still and know that He is sovereign over all  
His Holy purpose will prevail  
The church will stand and shall not fail  
The God of Jacob is our fortress and our strength
